

In the Aeroplane Over the Sea

Neutral Milk Hotel

G Em C D

G **Em**
What a beautiful face

C
I have found in this place

D
That is circling all round the sun

G **Em**
What a beautiful dream

C
That could flash on the screen

D **G**
In a blink of an eye and be gone from me

Em
Soft and sweet

C **D** **G Em C D**
Let me hold it close and keep it here with me

G **Em**
And one day we will die

C **D**
And our ashes will fly from the aeroplane over the sea

G **Em**
But for now we are young

C
Let us lay in the sun

D **G**
And count every beautiful thing we can see

Em
Love to be

C **D** **G Em C D**
In the arms of all I'm keeping here with me

G **Em** **C**
What a curious life we have found here tonight

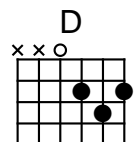

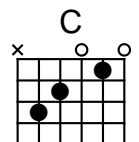

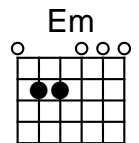

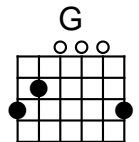

D
There is music that sounds from the street

G **Em**
There lights in the clouds

C
Anna's ghost all around

D **G**
Hear her voice as it's rolling and ringing through me

Em
Soft and sweet

C **D** **G Em C D**
How the notes all bend and reach above the trees

Em **C**
Now how I remember you

G
How I would push my fingers through

D
Your mouth to make those muscles move

Em
That made your voice so smooth and sweet

C
And now we keep where we don't know

G
All secrets sleep in winter clothes

D
With one you loved so long ago

Em C G D
Now he don't even know his name

G Em C D
What a beautiful face
I have found in this place
That is circling all round the sun
And when we meet on a cloud
I'll be laughing out loud
I'll be laughing with everyone I see
Can't believe how strange it is to be anything at all
